We are going Global!

As a long time luxury homes Realtor and owner of Executive Homes Realty Inc., I'm excited to announce that our company has merged its operations with Venture Sotheby's International Realty.

I am very excited to join forces with Andrew Greenwell and Venture Sotheby's International Realty, and I feel that the marriage of my boutique luxury firm and its prowess combined with Sotheby's International Realty's Global reach will enable us to better serve our existing and future clients.

"The luxury real estate markets in the South and East Bay are growing rapidly, and it was the right time for our brand to expand its presence within these areas," said Andrew Greenwell, Chief Executive Officer of Venture Sotheby's International Realty. "Joe Sabeh and his team have been industry leaders in their market and we couldn't be more excited about the opportunity to have them represent our exceptional brand. Expansion into the Fremont and South Bay area was one of our core objectives for the year, and we are proud to have them at the helm of this venture."

The Sotheby's International Realty network currently has more than 20,000 affiliated independent sales associates located in approximately 880 offices in 66 countries and territories worldwide. In 2016, the brand achieved a record global sales volume of \$95 Billion USD. Venture Sotheby's International Realty listings will be marketed on the sothebysrealty.com global website. In addition to the referral opportunities and widened exposure generated from this source, the firm's brokers and clients will benefit from an association with the Sotheby's auction house and worldwide Sotheby's International Realty marketing programs.
